SEVERE FINANCIAL HARDSHIP

Under current superannuation laws the Trustee of your Fund is required to assess your application for early release of benefit due to severe financial hardship. In determining whether you qualify for release of benefits on this basis, the Trustee must be satisfied that you meet several strict requirements.

Category A (applies at any age)

1. Be in receipt of Commonwealth income support payments for a continuous period of 26 weeks.
As evidence, you must provide us with a letter from the government department paying your income support benefits, for example, the Department of Veteran Affairs or Centrelink. You should inform the relevant government department that your superannuation fund requires this letter so that it may consider your early release application in accordance with the superannuation laws. Please note that this letter must not be dated any earlier than 21 days before the date you lodge your financial hardship application with OnePath, **and**
2. Satisfy the Trustee that you are in 'severe financial hardship'.
Generally, you are in 'severe financial hardship' where you have no other assets or resources which could reasonably be used, in the next six months, to cover the gap between your personal income and expenses associated with the basic necessities of everyday living, other than making use of your preserved superannuation benefit. In most circumstances these financial difficulties will be due to a significant reduction in income or increase in expenses.

How much can I receive?

The Trustee is required to assess your application before any benefit is paid to you. The Trustee will decide whether to release the benefit to you and how much will be released. Under the superannuation laws the maximum amount which the Trustee may release is a single payment of \$10,000 gross in any 12-month period. The minimum amount which the Trustee may release is \$1,000, except where the account balance is less. The amount you receive will be less any PAYG tax payable on the benefit payment.

Category B

If you have reached your preservation age and 39 weeks:

1. Be in receipt of Commonwealth income support payments for a cumulative period of 39 weeks after reaching your preservation age.
As evidence, you must provide us with a letter from the government department paying your income support benefits, for example, the Department of Veteran Affairs or CentreLink. You should inform the relevant government department that your superannuation fund requires this letter so that it may consider your early release in accordance with the superannuation laws.
2. Demonstrate to the Trustee that you are not employed on either a full-time or part-time basis on the date of your application for release.

Please complete all three sections of the attached Application form, including the statutory declaration and privacy statement and return to OnePath. Upon receipt of these requirements, we will consider your application and advise you of our decision.

TAX FILE NUMBER (TFN) NOTIFICATION

You or your employer may already have provided your TFN to ANZ Super Advantage. If not, we are required to tell you the following details before you provide your TFN. Your TFN is confidential and you should know the following before you decide to provide it to us:

- The Trustee is authorised to collect your TFN under the taxation and superannuation laws.
- If you do provide your TFN to us, we will only use it for legal purposes. This includes finding or identifying your superannuation benefits where other information is insufficient, calculating tax on any Superannuation payment you may be entitled to and providing information to the Commissioner of Taxation such as reporting details of contributions for the purposes of the government co-contribution, lost member reporting and monitoring of contribution caps.
- If you do provide your TFN to us, we may provide it to the trustee of another superannuation fund or a Retirement Savings Account (RSA) provider where the Trustee or RSA provider is to receive your transferred benefits in the future.
- We will not pass your TFN to any other fund if you tell us in writing that you do not want us to pass it on.
- Your TFN will be treated as confidential.
- We may quote your TFN to the Australian Taxation Office when reporting details of contributions for the purposes of the government co-contribution and lost member reporting.

You are not required to provide your TFN. Declining to quote your TFN is not an offence. However, if you do not give us your TFN, either now or later:

- We may not be able to accept non-concessional contributions and you may be liable to pay additional tax on concessional contributions.
- You may pay more tax on your benefits than you have to (you may get this back at the end of the financial year in your income tax assessment).
- It may be difficult to locate or amalgamate your superannuation benefits in the future.

The purposes for which we can use your TFN and the consequences of not providing it to us may change in the future as a result of changes to the law.
